Our school strategies are showing substantial progress toward our targets

After reviewing our Great Results Guarantee agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:

- Enhancing our ability to deliver a quality early years program through allocation of extra human resources in the form of teachers and teacher-aides
- Creating Evidence Based Plans with targeted learning strategies for students unlikely to reach National Minimum Standard
- Strengthening student support referral and intervention processes through initiatives in intensive teaching, including before school reading and investment in the Multilit resource
- Building the capacity of teachers to analyse student data through coaching sessions with the principal
- Investing in the most up-to-date assessment resources, including the latest edition of PM Benchmarks and Progressive Achievement Testing (PAT online) to enable greater understanding of student learning and areas for improvement
- Increasing the use of ICT based learning through use of Reading Eggs to further assist teachers deliver a flexible and targeted curriculum
