

Investing for Success

Under this agreement for 2017 Harlaxton State School will receive

\$77,775*

This funding will be used to

- Increase attendance rates to 95% for Whole School and Indigenous students and decrease behaviour notifications and suspensions by 5%.
- Increase our NAPLAN Reading NMS by 5% in Year 3 and Year 5.
- Increase staff teaching capacity (Spelling and Reading) increasing school's spelling and reading ages to 75% at or above year level expectations.
- Increase student identification, verification and differentiation by purchasing extra Speech Pathology time.
- Increase staff capability with Coding Curriculum.

Our initiatives include

- Create learning opportunities for the parents/carers by welcoming them at Harmony and NAIDOC celebrations utilising Community Participation Officer to further our community links.
- Build teacher data literacy skills for teaching, tracking and analysing student results through partnering with Griffith University (School of Education and Professional Studies) in *Learning for Teaching in Disadvantaged Schools* project with Master Teacher input
- Participate in Cluster pre and post moderation sessions ensuring assessment tools appropriate and aligned to achievement standards for monitoring student growth in reading, comprehending and speaking.
- Continue successful reading intervention using research based program (Multi-Lit, Mini-Lit and Pre-Lit) supported by STLaN team and extend these practices into the classroom.
- Purchase extra Speech Pathology time to identify, verify and differentiate for students
- Continue to embed Coding Curriculum across the school continuing STEM partnership with University of Southern Queensland
