This term, Grade 1 and 2 are combining in Literacy rotations in the morning. Students are already demonstrating ability to move quietly from group to group. They focus closely during their short, intense learning sessions. These sessions cover aspects of literacy such as reading, comprehension, writing, spelling, computer skills, sequencing, fine motor skills and sight words.

- Computer activities are popular.
- Spelling activity
- Our Reading Room
- Practicing sight words
- Comprehension skills
- Developing computer skills
- Fine motor skills
Grade 1 and 2 are also combining in Play is the Way activities. These games are designed to build on our social skills and help us relate the three values of Resilience, Respect and Relationships to everyday situations.

Grade 2 are looking at life cycles of plants and animals in their Science unit. They are growing beans in the classroom and already have sprouts started.

Grade 1 are following the Saxon maths program this year and begin each maths session with a Maths meeting.
